PROCUREMENT OF BAILEY BRIDGES OF VARIOUS CONFIGURATIONS

1. It has been observed that the Projects are forwarding the demand for procurement of Bailey Bridges of various configurations with incomplete details, leading to delay in procurement of the bridges.

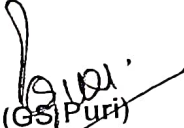

2. In view of the above, all Projects are requested to forward the demand for procurement of Bailey Bridges, accompanied by following details:-

- (a) FAC duly vetted by audit authority.
- (b) Consignee location.
- (c) Nos of Transom per bay
- (d) Type of decking i.e Steel or otherwise.
- (e) Type of width i.e Standard or Extra wide.
- (f) Concerned Task Force / Supply Unit with GST No.
- (g) Job No, MH & Code Head.
- (h) Copy of Administrative Approval of Job.

POLICY ON PROVISIONING OF DEMOLITION CHAMBERS IN BRIDGES

1. Ref your office letter No A/ 4000/ MO4 dated 27 Sep 2013.
2. The op reqmt for provisioning of demolition chambers on permanent bridges of classification 40 (equivalent to Class A) of overall length of 25 m and above, within 50 km of border/ LC/ LAC in mountainous/ hill areas of J&K, Himachal Pradesh, UP, Sikkim and Arunachal Pradesh has been spelt out in letter ref at Para 1 above. However, the policy needs a relook due to the fwg reasons:-
 - (a) In the current scenario, the reqmt of provisioning of demolition chambers may be very rare/ ltd.
 - (b) Due to the current IS sit, there will be a reqmt to guard the bridge against ANEs/ insurgents, in case demolition chambers are provided.
 - (c) As also, with considerable improvement in demolition techniques, a modern technique may be emp for demolition of permanent bridges.
3. For consideration pl.
