### PRELIMINARY REMARKS

This list comprises of parts for Engine, Gear Box, Chassis, Front Axle, Rear Axle, etc. and the Body of LPK 2530 (NOVUS) vehicle.

| Chassis Type | Sales Designation | Wheel Base | Description                                                                                                                                        | Appertining Engine Type |
|--------------|-------------------|------------|----------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|
| 701 551      | LPK 2530 (6x4)    | 4570 mm    | Full Forward Control Chassis with Tilt Cab<br>C 8.3 Engine, Tongil Gear Box, Bogie Rear Axle, Power<br>Steering, S-cam Brake, 24 volts (6x4)Tipper | 300 HP C 8.3 CIL Engine |

**INSTRUCTIONS**

1. The designation "Left and Right" as well as "Front" and "Rear" refer to driving direction.
2. The indication "First","Second" (e.g. cross member of frame) are counted from the Radiator side.
3. The word "Optional" in the remarks column against an item having two or more part numbers indicates that depending on availability, the item will be supplied under any one of these part numbers.
4. The designation "AR" in column "Quantity" stands for "As Required".
5. The illustrations of parts of the table are only for easy reference and they may not be exact replica of the part.
6. The parts fitted on the vehicle are subject to modification without prior notice.
7. This is a publication of the Parts Head Quarters of the TATA MOTORS LIMITED.
