INSTRUCTIONS:

Refer Variant Table Matrix for correct applicability

The designation "Left and Right" as well as "Front" and "Rear" refer to the driving direction

The indication "First", "Second" (e.g. Cross member of frame) are counter from the radiator side

The word "Optional" in the remarks column against an item having two or more part numbers indicates that depending on availability, the item will be supplied under any one of these part numbers

The designation "AR" in column "Quantity" stands for "As Required"

The illustrations of parts of the table are only for easy reference and they may not be exact replica of the part.

The parts fitted on the vehicle are subject to modification without prior notice.

This is a publication of the Parts Head Quarters of the TATA MOTORS LIMITED.

The illustrations shown are for reference of spare parts numbers and not to be used as assembly manual.

When assembling always use "WORKSHOP MANUAL"

Some Group Nos have been intentionally omitted. This should not be construed as missing details, in catalogue.
